

# The EU Single Market

## National contact points

---

If you need more information on having your qualifications recognised in another EU country, ask one of the contact points given here. They can tell you more about the national rules, and give advice on exercising your rights.

You may also find useful information on these [national web sites](#).

For all formalities you wish to carry out by electronic means in the host country, you can also consult the [single point of contact](#) set up by Directive 2006/123/EC on services in the internal market.
